SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the 11/13/20 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2021-LAW-59280, 04/05/21, 2102 hours:** Fresno County Sheriff's Office (FCSO) requesting a helicopter with FLIR and NVG capabilities to assist in searching for a missing 85 year old male last seen at 1500 hours , (4/5/2021), walking in the snow back to his rented cabin in the Huntington Lake Area. FCSO's request is for an immediate response. Cal OES LEB coordinating a response. **Update:** 4/5/2021, 2254 hours, LDO had exhausted all resources and none were available to support FCSO's request. **Update:** 4/6/2021, 0624 hours, FCSO advising the search is continuing and is requesting (2) SAR Trailing K9 and (2) SAR Area K-9 teams for an immediate response to their ICP at Huntington Lake Marina/Boat Launch. FCSO is also requesting a CaNG helicopter with FLIR and NVG capabilities for a night operation tonight ,4/6/2021, beginning at 2000 hours. Cal OES LEB is coordinating the response. **Update:** 4/6/2021, 1100 hours, (2) SAR Area K9 and (1) SAR Trailing K9 team from CARDIA accepted the mission. CaNG accepted the Helicopter Night Ops mission for 4/6/2021. At 1556 hours, FIRIS King Aire was approved by Cal OES Fire to assist with FCSO search and is deployed with Cal OES LEB A/C Ryan Smith. FCSO and CaNG advised of the additional air asset. **Update:** 4/6/2021, 1815 hours FCSO requesting (2) additional SAR Area K9 teams for 4/7/2021. Cal OES LEB coordinating the response. At 1849 hours, FCSO requesting (10) Type-2 SAR ground searchers for 4/7/2021. Cal OES LEB coordinating the response. **Update:** 4/6/2021, 2153 hours, Kern and Madera County Sheriff's Office, CARDIA K9, and CaNG committed to FCSO's request for tomorrow's (4/7/2021) operational period. At 2207 hours, FIRIS King Aire advising mission completed and back at home base. **Update:** 4/7/2021, 1314 hours, FCSO is requesting additional Type-2 SAR ground searchers for operational periods 4/8 thru 4/11/2021. Kern and Tulare County Sheriffs have committed to filling FCSO's request for 4/8 and 4/9/2021. Cal OES LEB is coordinating a response for the weekend. FCSO also advising that barring any new development's, the CaNG Helicopter night operational mission for 4/7/2021 will be the last. **Update:** Fresno Sheriff requesting 15 Type II SAR personnel for searches on Saturday and Sunday. Merced County will assist on Sunday. Monterey County has agreed to divert 12 SAR personnel from a previously scheduled snow trailing weekend to the Fresno search. Fresno also located additional ground clues and requested another FLIR flight. Kern County Sheriff has accepted that mission for the evening of 4/9. **Update:** Fresno County also requested another flight of the FIRIS search aircraft, which is scheduled for 4/9. **Update:** Searches conducted on 4/9 were unsuccessful. Search efforts continue with personnel from Monterey and Kern. **MISSION ONGOING**
- **2021-LAW-60088, 4/8/2021, 1149 Hours:** Inyo County Sheriff requested assistance in the search for two subjects. The subjects left for an overnight camping trip in the Death Valley area on Saturday April 3. They did not return the following day as expected and were reported missing on April 6 or 7. **Update:** The subjects have been located in an extremely remote area of Death Valley. Efforts to assess their condition and offer assistance continue. **Update:** Inyo County, with the assistance of a Navy Helicopter and a helicopter from the Ca National Guard were able to reach the subjects. The female subject was transported for medical treatment of minor injuries. The male subject was deceased at the scene. **MISSION CLOSED**

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

2021-LAW-60379, 4/9/2021, 1235 hours: IERCC reported a SPOT activation at 37.011170 By -117.454770, which plots to the Ubehebe Crater area of Death Valley National Park. The device is a one-way device, but a related 911 call was received at the same time. The call reported a subject stranded in the crater. Park Rangers responded but did not locate anyone in distress. **MISSION CLOSED**

2021-LAW-60424, 4/9/2021, 1746 hours: IERCC reported an In Reach activation at 36.302133 by -121.635840, which plots to the Pine Valley trail in Monterey County, East of Big Sur. The device user reported that another member of his party had a medical emergency. Monterey Sheriff was notified and responded with a ground team and a medical helicopter. Upon arrival, the victim was determined to be deceased. **MISSION ONGOING**

2021-LAW-60428, 4/9/2021, 2138 hours: Madera County requested AFRCC assistance in cell phone forensics to locate an adult male and his 3-year-old child reported overdue from an off road vehicle trip in the Central Camp area. AFRCC was provided the needed information and accepted the mission. AFRCC developed a recommended search area which was provided to Madera Sheriff. Madera Sheriff concentrated their search efforts in that area and located the subjects stranded in their vehicle within the area. The subjects were cold but otherwise uninjured. **MISSION CLOSED**
